

Superform Maple

Acer platanoides 'Superform'

Zone: 4
Height: 45'
Spread: 40'
Shape: Broadly oval to rounded
Foliage: Medium green
Fall Color: Yellow

The name Superform describes the growth habit of this tree. It was selected for its well behaved growth, uniform branch angles and overall symmetrical shape. Close in appearance to a typical Norway Maple seedling, but uniform and nearly perfect in shape.
