These questions are designed to give our Designers more information about you and your garden needs. The more information you can provide for us, the more useful your design will be.

Please describe the area you are interested in working with:

Which direction does the area face? _____

Is the area sunny or shady? _____ Soil Conditions: wet ___ dry ___ other _____

Are there any specific plants you would like to include?

Are you looking to include native plants in your design? _____

Are there any plants, colors, or types of plants that you dislike? _____

Would you consider yourself: ___ a black thumb ___ willing to learn ___ seasoned gardener

Will this area be used by pets or children? _____

Is there any plant material to be kept, transplanted, and/or removed? _____

Do you plan to DIY or have our crews install? _____

Do you have issues with deer/rabbits? _____

Does the designer have the freedom to change existing landscape bed shape/size?

Please tell us any more information that you think would be helpful: _____

Please email or bring in accurate measurements and photos with your form. We encourage you to include a copy of your Plat of Survey. **You may also email us as many photos as you would like, however, please send them in small batches of 2 or 3 photos at a time.** The more information you give us the better we can help! We will let you know when the plan is finished to go over the suggestions and view plants. The \$50 fee is due when you submit your forms and can be paid online on our website under "Shop/Landscape Design Fees". You will receive a detailed plan, plant list, maintenance tips, and a \$25 gift card to help get you started when you receive your plan.
